The Certified Athletic Trainer will perform initial screenings, recommend treatment for injury rehabilitation and prevention, and make referrals to physicians when indicated. If the Certified Athletic Trainer finds your child needs further medical care, he or she will contact you.

**CONSENT FOR TREATMENT**

I consent to a Certified Athletic Trainer from South Bend Orthopaedics assessing and treating my child. I understand I will be contacted if the Certified Athletic Trainer finds my child needs further medical care. I also understand the service provided by the Certified Athletic Trainer is not a substitute for the professional services of a physician.
